

BULGARIA

Bansko - The Cool Name on Everyone's Lips! Come and visit to see why everyone's talking about Bansko.

This has to be the ultimate ski destination! The town of Bansko is just 160km south of the capital Sofia and is dominated by the Pirin mountain, with its highest peak at 2914m. The skiing domain is split into two great areas which are both serviced by the an 8 seater Gondola. There are over 20 other lifts on the mountain offering superb access to 65 kilometres of piste that include terrain for beginners and intermediates, whilst experts can be challenged by the mighty Tomba run!

Accommodation

Perun Lodge The four star apartment - Hotel Perun Lodge is located in the heart of one of the most modern ski resorts in Eastern Europe - Bansko, located 350 meters from the lifts and 800 meters from the city center.

Rooms are equipped with cable television, telephone, bath / shower and everything you need to feel comfortable and comfortable during your stay.

Hotel Gardenia has breathtaking views of the ski tracks, and free transportation to the First Gondola station during the winter season. Additional services include exchange of currency, Laundry & Ironing and transfers.

Each room is equipped with phone, TV, safe box, internet access, hair dryer, bathrobes and towels.
