

 **KRANJSKA GORA**

*Ski three countries in one day!*

*Awesome, unspoilt skiing.*

Kranjska Gora in Slovenia is situated only a few miles from the Italian and Austrian borders, set in the splendour of the Julian Alps. The resort represents excellent value for money and high standards of service. Regular hosts to the FIS world cup races, this resort suits beginners and experts alike. There are ideal nursery slopes close to the village and wide and attractive challenging runs on the Vintranc. Here the terrain is varied and offers an exhilarating descent through tree lined piste. The more expert terrain can be found on the Podkoren Mountain where advanced skiers have the challenge of skiing the world cup slalom run.
