

**+** LEYSIN

*Charming Swiss village - Ideal for beginners and intermediates!*

Leysin has been a popular destination with school groups for many years and is currently one of the best snowboarding resorts due to the lack of drag lifts and amazing snowboard park. The village itself is perched on a sunny plateau and part of the Alpes Vaudoise ski area and our hotel is in an ideal situation close to the beginners slopes.

The Leysin ski area is accessed via two cable cars which take you up to the 60km of piste. If you are looking for more skiing, then the 200 km included in the Alpes Vaudoise pass will satisfy the most ardent skier or boarder!
