

SANSICARIO

Hotel Olympic Centre, Sansicario is a 3* hotel that was built originally for the 2006 Olympic games, and has all the attractions you'd expect.

RESORT FACTS - ITALY

Sansicario is a meticulous development on the huge Milky Way circuit with excellent access to 400km of skiing, and good connections to Sestriere, Sauze and Claviere. The site was chosen carefully for snow security and good slopes.
