

NEW HAMPSHIRE

Wildcat Mountain is Pinkham Notch's premier winter playground, and you can ski Cranmore with this twin centre destination.

Our New Hampshire resorts, Wildcat and Cranmore let you get to the heart of skiing in the eastern USA. We offer an opportunity to try a number of ski stations on the same trip, each with their own character and personality.

For the most vertical value in the White Mountains, ski or ride Wildcat Mountain. With breathtaking views of Mt. Washington from the massive 4,000 foot plus summit, Wildcat Mountain is Pinkham Notch's premier winter playground. Cranmore offers intermediate and advanced skiers the chance to revel in both challenging and more traditional trails in the delightful atmosphere that is New Hampshire.
