

WILDSCHÖNAU REGION

Niederau / Oberau / Auffach - 3 ski areas in one beautiful area!

Three main villages make up this most stunning valley - Wildschonau.

Wildschonau valley is most perfectly suited to both beginner and intermediate skiers, with a superb snow record and over 42kms of well groomed piste. There are also four exhilarating black runs that will appeal to the more advanced skier and several back country routes for adventurous types. The mogul field beneath the Markbachjoch chairlift completes the challenge which this resort can offer to the strongest of skiers.
